## Description

An impressive and incredibly well made large antique inlaid mahogany console table. It is in the Georgian style, it was made in England and dates from around the 1920-30's. This is of outstanding quality, the mahogany has lovely grain patterns and the satin wood inlays compliment it beautifully. The drawers have solid oak construction inside, with fine, hand cut dovetailed joints and lovely brass handles. This sits on finely tapered legs that terminate in spade feet, the top has cross banded edges. We have had this re-polished, the condition is excellent for its age, with just some extremely minor wear remaining beneath the polish here and there. Width - 71.5 inches , 182 cm Depth - 16 inches , 41 cm Height - 36 inches , 92 cm
