Description

This atmospheric Impressionist still life painting depicts a cascade of roses spilling from an overturned wicker basket. The composition features lush pink, red, and white blooms arranged across a dark, velvety background that heightens their colour and softness. Expressive yet delicate brushwork gives the roses a sense of movement, as though freshly gathered and gently fallen. Signed by the artist "R. Sanjuan" in the lower right corner, the oil on canvas is beautifully housed in a wide gilt frame.
