Description

During the Napoleonic Wars, the standard long arm of the French infantry was the Model 1777 "Charleville" Musket. It was a smoothbore flintlock musket with a .69 caliber, widely prized for its durability, interchangeable parts, and effectiveness in mass volley fire when paired with a bayonet. This one no exception comes in full working condition, been in our families possession over 200 years conditions very good a very rare opportunity to purchase and own, length 144cm height 15cm depth 8cm weighing 10lbs, reference BDSS.
