Description

A still life oil on canvas painted in the Dutch style, depicting summer flowers. It is a very accomplished piece with a signature "Cosgrave" and dated 1851. There is some crackling on the canvas but no losses and the colours are still vibrant. It is housed in the original frame which we haven't attempted to clean or restore. It has a "shabby chic" feel which is rather pleasing and no losses. We can deliver in UK mainland and can calculate the cost for international delivery.
