Description

Antique 18th century Queen Anne chest of drawers in walnut, an exceptional example of early English furniture, beautifully made and of fine quality. Elegant in both proportion and design, this superb chest embodies the refined craftsmanship and understated sophistication for which the Queen Anne period is so highly regarded. The chest is arranged with two smaller drawers above a single full-width drawer, all retaining their brass handles and fittings. Standing on graceful cabriole legs with beautifully carved knees, every element has been carefully crafted, creating a piece of remarkable balance and timeless appeal. The walnut is simply outstanding, displaying breathtaking figuring, stunning natural grain and a rich depth of colour throughout. The quality of the timber is immediately apparent, giving the chest an unmistakable presence that is rarely encountered. This is a highly desirable example that truly has to be seen in person to be fully appreciated. Presented in good condition, this remarkable 18th century Queen Anne chest of drawers is a rare and distinguished piece, combining historical significance with exceptional craftsmanship. A superb addition to any fine a...
