Description

Antique 20th century Arts and Crafts style dressing mirror in oak, a beautifully designed piece that perfectly captures the simplicity and craftsmanship associated with the Arts and Crafts movement. Very well made and of good quality, it offers both decorative appeal and everyday practicality. The mirror features an attractive decorative oak frame, complementing the clean lines and understated elegance of the design. The original mirror plate has developed a beautifully speckled appearance over time, adding authentic antique character and enhancing its period charm. Crafted from quality oak, the frame displays gorgeous natural grain and a rich, warm colour throughout. Its timeless styling, excellent craftsmanship and increasingly hard-to-find design make this a particularly desirable example that will suit both traditional and contemporary interiors. Presented in good condition, this charming Arts and Crafts style dressing mirror is a rare find with plenty of character. A wonderful decorative piece that is equally practical, it would make a delightful addition to a dressing table, bedroom or hallway and a perfect addition to any home.
