## Description

An elegant Italian chandelier with a brass frame with a good antique patina, twelve lights are arranged in two graceful tiers with the timeless sophistication for which Italian craftsmanship is renowned. The chandelier features an antique brass metal frame, a cut glass central column and sweeping, delicately curved arms that support candle-style lamp holders, creating a balanced and harmonious silhouette. The frame is richly dressed with faceted crystal button chains, elegantly draped between the arms and throughout the central body to catch and refract the light. Suspended beneath these chains are large pear-shaped crystal drops, interspersed with smaller faceted pendants that create layers of sparkle and movement. When illuminated, the twelve candle lights produce a warm, shimmering glow that dances through the crystal chains and pear drops, casting brilliant reflections across the room. The overall effect is one of understated grandeur—perfect for a formal dining room, entrance hall, drawing room, or any interior inspired by classical European design. The combination of finely cut crystal, graceful proportions, and Italian craftsmanship makes this chande...
