Description

A superb rare sterling silver handled button hook. It is hallmarked for Birmingham 1909 with the makers marks being C&N. It has been beautifully made with the handle being in the form of two Teddy Bears back to back - note Teddy Bears date from about 1902 so this is quite an early representation. It is in superb condition being free from dings splits distortions and repairs, the steel hook is a strange shape but possibly made that way. It measures approx. 8.5 inches (21.3cm) long by 1.25 inches (3cm) wide and weighs 42 grams. A rare piece.
