## Description

This is a beautiful piece of solid sterling silver - a novelty pepper fashioned as a dog . I am reliably informed that the dog in question is an English Pointer. He carries import marks for London 1904 with the importer's mark of Theodor Hartmann. The Dutch hallmarks are clearly visible also. The detailing on this dog is fantastic and the silver is in excellent condition. He is a tactile, chunky chap, weighing in at just over 100g/4 ozs. His head removes to reveal the pepper shaker. Dimensions: Weight: 101g Length: 9cm Width: 3cm Height: 7cm. Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
