Description

Antique Victorian Oil Lamp with Blue Glass Font. A decorative late 19th-century oil lamp featuring a vibrant blue moulded glass font and brass Cosmos burner, raised on an ornate cast metal base with foliate relief design. The lamp displays the characteristic Victorian blend of colour and form, with a rich tone to the glass that catches the light beautifully. The pierced gilt-painted base provides a sturdy and decorative support. Condition: Good antique condition overall. Minor wear and small losses to the painted base consistent with age and use. Wick present; burner untested. Dimensions: 14 × 14 × 31 cm (height)
