Pair of Grand Tour Bronze Urns c.1900

Price

Sold**Item Reference: SA1226422****Date of manufacture: 1900**

Description

Pair of Grand Tour Bronze Urns c.1900 Pair of bronze urns, in the classical Grand Tour style. Each urn features a wide pierced rim with stylised scrollwork, raised on a fruiting vine stem and reeded socle, above a square plinth base. Cast in solid bronze and later polished, the pair retain a good weight and attractive surface patina. The undersides show signs of traditional casting and assembly, including solder and fixing bolts. Dimensions: Height: 10.5 cm Width: 12 cm Minor surface marks. Good polished condition
