Description

A fine 20th-century coffee table featuring an antique Chinese fretwork panel, crafted with a solid pitch pine base. This elegant piece is exceptionally well-suited for a formal living room, grand study, or collector's space. The table features an intricately detailed antique Chinese fretwork panel that forms the main tabletop surface. This geometric woodwork is protected by a custom, removable glass top that sits flush within the frame, ensuring practicality while preserving the delicate carving. It presents beautifully as a showroom piece, showcasing a unique fusion of traditional East Asian artistry and 20th-century furniture design.
