Description

A good quality and very decorative still life oil on canvas dating from the mid 19th Century. It is a traditional scene of hanging game birds, alongside a rabbit, a lobster and a skate awaiting preparation. It is framed in its original walnut frame. There is a hand written signature on the reverse of the canvas - "hand painted by Ralph Mayers". There is an impressed owners mark on the wooden stretcher of the painting : "E.Spiller. 98 Holborn Hill. London". The painting is in good original condition. There have been a couple of repairs to the canvas which has left some minor marks on the painting (see photos) but overall it displays well. The frame is in good order with a lovely colour. The painting has been lightly cleaned and is ready to hang. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
