Description

Antique 20th century pair of bedside cabinets in walnut, a charming and elegant matching pair. Beautifully made and full of character, they offer a practical storage solution while adding warmth and sophistication to any bedroom. Each cabinet features a single cupboard door retaining its original handle, opening to reveal a useful internal shelf ideal for bedside essentials. Raised on graceful cabriole legs, the cabinets have a light and elegant appearance that complements their classic design. The walnut displays gorgeous natural grain and a rich, mellow colour throughout, enhancing the beauty of the timber and highlighting the craftsmanship. Their attractive proportions, original features and timeless appeal make this pair a particularly desirable find. Presented in good condition, these bedside cabinets are both stylish and functional. A versatile and increasingly sought-after matching pair, they would make a wonderful addition to any home and are sure to complement both period and modern interiors alike.
