Description

A fine gilded 'gorge' cased carriage clock by the famous Henri Jacot with push repeat. Serial number 11484 and stamped between the plates with the Henri Jacot oval stamp and the H.J.Parrot stamp to the backplate. The clock retains its original high quality silvered platform and jewelled lever escapement and strikes on a soft French gong for the hours and half hours. The perfect vitreous enamel dial features Roman numerals with the typical inner Jacot ring and the original blued steel hands. The rear of the dial is signed with the H.J. this was painted on by the dial makers and numbered to match the clock. Thick bevelled glass to all sides. A fine substantial clock and good investment grade Jacot. It's worth noting that all our clocks are fully restored and fully guaranteed. Please remember we are closed Sundays and Mondays, open every other day from 9am until 5pm

Internal Ref: HJ Carriage strike
