Description

Antique 20th century set of ten Regency style dining chairs, very well made and of good quality. This impressive set consists of eight single dining chairs and two matching carver chairs, showcasing elegant proportions and the timeless styling associated with the Regency period. Each chair features a beautifully carved back with a high level of attention to detail and stands on graceful sabre legs, reflecting the quality craftsmanship of the set. The comfortable drop-in seats are upholstered in a yellow fabric, providing both practicality and style, while the solid frames have no unwanted movement, ensuring they are sturdy and ready for everyday use. Boasting gorgeous grain and rich colour throughout, this is a highly desirable set with exceptional warmth and character. The combination of elegant carving, classic Regency styling and quality construction makes these chairs a striking addition to both traditional and contemporary dining interiors. Presented in good condition, displaying beautiful grain, colour and craftsmanship throughout, this charming set of ten Regency style dining chairs would make a wonderful addition to any home.
