## Description

An early 19th century enclosed chest by gillows. The chest is of excellent quality, and is veneered in rich mahogany, which has developed a wonderful colour and surface patina. To top it off, this piece is covered in decorative gilt bronze mounts, which was probably influenced by french empire furniture that was being made around the same time that this was. The cupboard doors unlock and open to reveal the interior drawers with gilt bronze handles, the drawers consisting of two short over three long configuration. The chest has a few old restorations, commensurate with age, overall it is in excellent condition. Gillows makers mark is stamped on the top of the right hand door. Measurements Height is 126.5cm (49.8inches) Width is 139cm (54.7inches) Depth is 62cm (24.4inches)
