Description

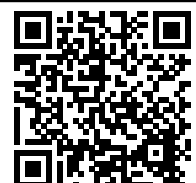

A fine set of ten Hepplewhite style mahogany dining chairs, comprising eight side chairs and two carver chairs, crafted in the elegant neoclassical taste. Each chair is raised upon finely tapered and fluted front legs, terminating in traditional spade feet, with elegantly swept rear legs providing excellent balance and proportion. The chairs feature bow-fronted lift-out seats, which have been recently re-upholstered in quality fabric, ensuring they are ready for immediate use. The beautifully shaped backs are fitted with fluted uprights, enriched with finely carved decorative detailing, and surmounted by an elegant shaped cresting rail, reflecting the timeless refinement of the Hepplewhite design. The pair of carver chairs are further enhanced with gracefully shaped arms and matching shaped arm supports, providing both comfort and visual appeal. Presented in good condition, this handsome set of ten dining chairs offers an ideal combination of classic English craftsmanship, elegant design, and everyday practicality. Perfect for both period and contemporary interiors, they would make a distinguished addition to any dining room. Size Singles: Height 38" (97cm) Width 20" ...
