Description

We are offering to you this Beautiful Oil Painting on Canvas. LUCY PRATT (BRITISH B.1970): AN OIL PAINTING ON CANVAS 'RED SAILS, SALCOMBE' This is a vibrant, impressionistic oil painting by Lucy Pratt depicting a sunny coastal scene at Salcombe (likely the South Devon estuary/harbour area). The composition centres on a sheltered sandy beach backed by steep, lush green hills and dense woodland in rich greens, yellows, and darker tones. Nestled among the trees and rocks are a few white-walled houses with reddish roofs. A few small figures appear on the beach, and blue beach huts or umbrellas line part of the shore. In the foreground and mid-ground, lively blue-green water is rendered with loose, energetic brushstrokes that capture movement and reflections. Several small sailing boats with bright red sails (and one smaller blue boat) float on the water, their reds reflecting strongly in the sea. The sky above is a soft mix of pale yellow, cream, and grey-lavender clouds, suggesting late afternoon or early evening light. The painting is housed in a substantial cream-coloured frame with a gold/gilt inner moulding. The artist's signature is visible in the lower left corner.
