Description

A charming antique Victorian burr walnut pot cupboard, beautifully figured throughout with striking burr walnut and warm, rich colouring. The cupboard features a moulded top with a shaped gallery back, a single panelled cupboard door, and an internal fixed shelf providing useful storage. A well-proportioned and decorative piece, ideal as a bedside cabinet, lamp table or occasional cupboard. Item Reference: M-6992 . Dimensions: Height - 77cm / Width - 39.5cm / Depth - 40cm / Surface Height - 72cm . CONDITION REPORT: Overall, the cupboard is in good antique condition. There are some age-related marks and wear to the top, together with a small loss to the beading beneath the top edge. There is minor staining around the top edge of the plinth base and slight fading to one side. These imperfections are all consistent with age and use and do not detract from the cupboard's overall appearance or functionality. It remains solid, sturdy and presents very well with an attractive patina.
