Description

A handsome antique smoker's bow captain's chair, featuring the classic continuous horseshoe-shaped arm and back rail with a shaped top rail. The chair stands on an unusual set of well-turned legs united by turned stretchers, giving it a distinctive appearance. Displaying a rich, warm oak tone and attractive grain throughout, it is a comfortable and characterful chair. Item Reference: M-6978 . Dimensions: Height – 80cm / Width – 69cm / Depth – 55cm / Seat Height - 44cm . **CONDITION REPORT:** The chair is in good antique condition and is solid and sturdy. There is a slight warp to the seat where the timber has naturally settled over time, which is typical of antique solid wood furniture and does not affect its strength or usability. There is general age-related wear, including minor marks and imperfections consistent with years of use, all adding to its authentic character and appealing patina.
