Description

Antique 19th century Victorian carved oak Davenport desk, exceptionally well made and of the finest quality. This outstanding example is beautifully carved throughout with immense attention to detail, showcasing the remarkable craftsmanship and artistry of the Victorian period. The desk features a green leather writing surface, providing an elegant and practical workspace. Lifting the writing slope reveals a beautifully fitted interior, offering a range of compartments for storing stationery and writing accessories. To the side are three drawers, each fitted with magnificent carved handles in the form of wolves, an exceptional and highly unusual feature that further enhances the desk's character. Boasting gorgeous oak grain and rich colour throughout, this breathtaking Davenport is a truly remarkable piece of furniture. Every element has been executed to an exceptionally high standard, from the intricate carving to the beautifully proportioned design. It is an extremely desirable example that simply has to be seen in person to be fully appreciated. Presented in good condition, displaying outstanding grain, colour and exceptional craftsmanship throughout, this magnificen...
