Description

Antique 19th century Victorian brass and iron king-size bed, very well made and of good quality. Featuring a striking and highly attractive design, this superb bed beautifully combines polished brass with white painted iron, creating a timeless piece that will complement both traditional and contemporary interiors. The bed comes complete with the headboard, footboard, side rails and base, making it ready to be assembled and enjoyed in its new home. Its robust construction and quality craftsmanship ensure it is both sturdy and practical, while the elegant proportions reflect the fine workmanship of the Victorian period. Boasting a beautiful combination of brass and white painted iron, this is a highly desirable and particularly rare example. King-size antique beds are exceptionally difficult to find, making this an outstanding opportunity to acquire a substantial and sought-after period piece. Presented in good condition, displaying beautiful craftsmanship and timeless character throughout, this stunning 19th century Victorian king-size brass and iron bed would make a wonderful addition to any home.
