Description

An interesting unframed oil on canvas signed by the artist and dated 1928. It could be described with the headings Naive, Surreal, Primitive, Folk art and even Flemish. The subject requires more investigation as to its meaning....a doll with flowers in the foreground, as does the signature. The painting is in original untouched condition with losses, holes and splits commensurate with its age, none of which are immediately visible. As such it can be immediately hung. It has not been cleaned. The rear bears an art shop label showing it is from Blankenbergue which is on the coast of Belgium, North of Oostende and Dunkirk.
