Item Reference: SA1226831**Date of manufacture: 1940**

Description

A super quality Scottish solid sterling silver letter opener. It is hallmarked for Glasgow 1948 with the maker being RA. It has been superbly made with the terminal being set with a Citrine. It is in super condition being free from dings splits and repairs. It measures almost 7 inches (18.4cm) long and weighs 26 grams excluding the case. A very nicely designed example.

Internal Ref: 40063
