Description

As part of our Japanese works of art collection we are delighted to offer this large Meiji / Taisho Period Ikebana basket for floral display. This sturdy very well worked basket is circular moon shaped and houses its original copper liner for the retention of soil and water. Purchased by myself on a recent trip to Japan this basket is in lovely condition and would make a stunning interior display once filled with fresh or dried flowers. Condition Report : Good Sturdy Condition. Approximate Sizes : Width : 24 1/2" 62 cm Height : 24 1/2" 62 cm Depth : 9" 23 cm Free worldwide delivery included within the price of this item.
