Description

Antique 20th century Edwardian draw-leaf dining table in oak, a beautifully crafted piece that perfectly combines traditional design with everyday practicality. Very well made and of good quality, this elegant table is ideal for both family dining and entertaining guests. The table features a practical draw-leaf mechanism, allowing it to be extended quickly and effortlessly whenever additional dining space is required. It is supported by handsome barley twist legs united by a sturdy stretcher, giving the table excellent stability while enhancing its classic Edwardian character. The oak has a beautiful golden appearance, displaying rich natural grain and warm colouring throughout. Its attractive proportions, quality craftsmanship and timeless styling make it a particularly desirable example that will complement a wide variety of interiors. Presented in good condition, this charming Edwardian draw-leaf dining table offers an excellent balance of beauty and functionality. A versatile and elegant piece, it would make a wonderful centre piece for any dining room and a perfect addition to any home. Product Reference : AF - 6113
