Item Reference: SA1226968

Date of manufacture: 19th Century

Description

A French copper ferrat or grain measure from the Arts and Crafts period. This twin handled vessel is in good general condition, as can be seen in the photos, there is one strut missing, this does not detract from the appeal. This very decorative antique measure would make a wonderful planter or log bucket. c.1890 Diameter: 15" (38cm) Height: 10.25" (26cm) Ref: D860

Internal Ref: D860
