Dimensions

Height = 27 cm (10.6")

Width = 11 cm (4.3")

Description

These are lovely lustres (circa 1900). The glass lustres hang from an umbrella of gilt and they are on Jasperware round stands depicting classical scenes and with shaped columns. They are in good condition with some age related wear. They would look great on a dinner party table. They measure 27cm high and 11cm wide.
