Item Reference: SA1226996**Date of manufacture: 19th Century**

Description

A 19th Century Chaise longue sofa with carved ionic revival column-shaped legs. Having Solid mahogany legs with parcel gilt details- all four legs are matching in design with brass cup castors. Curve-shaped back and scroll arms. The back is tall enough for it to be used as a sofa, as well as a daybed. Traditionally upholstered, with a sprung seat and horsehair fillings throughout. Currently buttoned-back and covered in a pink velvet fabric. Has a matching foam-filled seat cushion, however we've photographed it with a plump feather cushion. This feather option could be added in the upholstery process. We would definitely recommend adding the additional feather seat and lumbar cushion shown as these ensure it is very comfortable to lay down on. Width 216cm x Depth 80cm x Height 82cm, with a seat width of 148cm, seat depth of 59cm and seat height of 44cm. Awaiting attribution checks.
