Item Reference: SA1227008

Date of manufacture: 19th Century

Description

A wonderful tavern table with a solid walnut top and beech legs, milky, bone coloured patina, this table has a wonderful skin. There is a replaced leg that has been professionally restored and does not detract at all from the piece, due to the beech under carriage there is some old worm damage. This beautiful little table has resided in my own collection for over twenty years English. circa 1820 Height 68 cm (27") Width 106 cm (41 3/4") Depth 45 cm (17 3/4")
