## Description

A delightful Victorian mahogany whatnot, its three tiers rising like a small architectural vignette of the era — turned columns, gentle curves, and a carved crest that lends a whisper of ornament. The mahogany has matured into a rich, glowing patina, warm and inviting, the kind that speaks of careful use and quiet domestic history. Resting on brass castors and finished with two petite drawers, it's a piece made for display: porcelain, books, botanicals, or the small treasures that make a home feel storied. Elegant, practical, and full of Victorian charm. Internal reference : SAI4246
