Description

Antique saddle bag kilim cushion, the cushion is half of a saddle bag from the Malatya region of Turkey, circa 1900. The back is the original back of the saddle bag with interesting striped design. The the saddle bag was already filled as a cushion when we acquired it, so we are unable to say what the filler is, but it is soft and could be foam. The cushion is plump and well filled with a spongy feel. Size: 45 x 45cm (18in x 18in) approx. Stock number: H-410.

Internal Ref: H-410
