Description

High Quality Antique French Leather & Metal Bound Trunk c. 1900 This very attractive trunk has beautifully shaped metal mounts that over time have patinated to a bronze type finish. The main body of the trunk is covered in a sienna coloured canvas and overlaid with tan leather detailing and brass studs. It has large leather lifting handles and strong securing clasps. On one end, the trunk still has remnants of labels from its travels around the world. Trunk makers often made their clients curved topped trunks so that no other passengers' trunks could be loaded on top of theirs! This trunk would make a lovely addition to any room and offers a large amount of storage. Dimensions: Height 65cm Width 93cm Depth 58cm

***** At Richard Anthony Rush Antiques we pride ourselves on supplying top quality pieces carefully chosen for their originality, quality and condition. Richard has worked as a conservator/restorer for over thirty five years with many eminent clients including the department store Peter Jones in Sloane Square, London (part of the John Lewis Partnership) for whom he restored and supplied ...
