Description

This is an exceptional Painting by Lucy Pratt. The scene is a sunny pastoral view framed by two large trees, one on the left with a thick, textured brown trunk and leafy canopy in greens, yellows, and hints of orange, and another on the right whose trunk and branches partially enclose the composition. Through this natural "window," a bright green meadow opens up, dotted with several white sheep grazing peacefully. Beyond the sheep lie golden-yellow fields, a low fence line, and more trees whose foliage shifts into warmer autumn tones of orange, red, and purple against a clear blue sky. In the foreground, lush green undergrowth is alive with yellow wildflowers and small white blossoms, painted with energetic, visible brushstrokes that give the whole work a lively, textured quality. Dimensions are - 21 inches x 16 inches x 1.5 inches deep. Delivery within the UK is included in the asking Price. Shipping is also a pleasure so please do contact us for a quote. We welcome all inquiries on the painting and any others that you like. Many thanks for looking Chris
