Description

Antique 20th century Edwardian chest of drawers in oak, a well-proportioned and beautifully crafted piece that perfectly reflects the understated elegance of the Edwardian period. Very well made and of good quality, it offers a wonderful combination of traditional styling and practical everyday storage. The chest is fitted with four drawers, arranged as two smaller drawers above two full-width lower drawers, providing generous storage while maintaining a balanced and attractive appearance. Each drawer retains its original decorative brass handles, adding to the authentic character and charm of the piece. The oak has matured to a rich, warm tone, displaying beautiful natural grain and colour throughout. Its clean lines, quality craftsmanship and timeless design make it a highly desirable example that would sit comfortably in both period and contemporary interiors. Presented in good condition, this handsome Edwardian chest of drawers is full of character and practicality. Built to a high standard and finished with attractive original fittings, it would make a superb addition to any bedroom, hallway or living space.
