Description

Antique 20th century Jacobean style monk's bench in oak, a characterful and practical piece that reflects the bold design and craftsmanship of the Jacobean revival period. Well made and of good quality, it combines traditional styling with everyday functionality. Beneath the seat is a generous storage compartment, providing ample space for blankets, shoes or household items, making it an ideal choice for a hallway, entrance or living room. The bench stands on attractive turned legs united by a sturdy supporting stretcher, giving it excellent strength and stability while enhancing its classic appearance. The oak displays a beautiful natural grain and rich, warm colour, adding depth and character to the piece. Its timeless design, quality construction and useful storage make it a highly desirable example that will complement a wide range of interiors. Presented in good condition, this charming Jacobean style monk's bench offers an excellent balance of practicality and period appeal. A versatile and attractive piece, it would make a wonderful addition to any home. Product Reference : AF - 6082 Measurements : 90.5cm Width x 48cm Depth x 96cm Height [48cm Seat Height] Al...
