Description

A matching pair of Victorian solid brass church candlesticks with decorative fretwork sconces c.1880. The heavy quality solid brass candlesticks with circular weighted bases for stability; the bases rising to meet the simple columns with decorative knuckles to the centre. Broad dished scones to the tops with fretwork fleur-de-lis galleries to the edges. Removeable cast brass pricket set to the centre, which can be used to secure a large church candle. Superb quality and both presented in immaculate condition. Keep up to date via our Instagram channel - sturmansantiques.
