Description

Antique 20th century chest of drawers in golden oak, an exceptional piece of furniture, beautifully made and of the finest quality. With its elegant proportions and outstanding craftsmanship, this chest is a wonderful example of traditional cabinet making and is sure to become a focal point in any room. The chest is fitted with four drawers arranged as two smaller drawers above two larger drawers, offering practical storage while maintaining a balanced and attractive appearance. Each drawer retains its original decorative brass handles, and the raised gallery to the top adds a distinctive finishing touch that enhances its period charm. The beautifully figured golden oak displays a rich, warm colour with striking natural grain throughout, highlighting the superb quality of the timber. Every detail has been carefully executed, making this a particularly desirable and increasingly rare example. The standard of craftsmanship is exceptional, and it is a piece that truly has to be seen in person to be fully appreciated. Presented in good condition, this outstanding chest of drawers combines timeless elegance with everyday practicality. A rare find of such quality, it would ma...
