## Description

A beautiful Scottish antique Victorian silver and agate pin cushion. Probably made in Scotland in 1892, the date comes from the registration number. It has thirteen hand cut mixed stone agates. Other than wear commensurate with its age the pin cushion is in good condition with all the agates in excellent condition. Shaped as a horse's hoof although unmarked it does have a registration number. A wonderful piece that would be a great addition to any collection. Weight; 33 grams Free delivery in the UK.
