Item Reference: SA1227254

Date of manufacture: 1910

Description

A beautiful solid silver Indian box / tea caddy. It is unmarked but tests as high grade silver. I would date it to c1910. It is in superb condition being free from dings splits holes and repairs, just the odd tiny mark, it closes tightly and the inside is clean. It measures 3 inches (7.2cm) tall by 2.5 inches wide and weighs 92 grams. A superbly designed beautiful example.

Internal Ref: 32475
