Description

A handsome Victorian mahogany pedestal desk of excellent proportions, featuring a beautifully fitted olive green hand-tooled leather writing surface with elegant gilt decoration. This is a particularly attractive and practical desk, offering nine drawers with original-style turned wooden knobs and a rich mahogany grain throughout. The desk has been well cared for and remains in very good condition, displaying a lovely warm colour and patina. One of the great advantages of this piece is that it is fully finished on all sides, including the reverse, allowing it to be used freestanding in the centre of a room rather than against a wall. This makes it an ideal choice for a study, office, library, or reception room where the desk can be appreciated from every angle. The desk also benefits from a traditional three-piece construction, with the top lifting off and the two pedestals separating for easy transportation, storage, and installation. This makes the desk surprisingly easy to move and position within the home. A highly practical and elegant piece of Victorian furniture, combining excellent storage with timeless style and craftsmanship. Condition This is a genuine an...
