Description

Antique 20th century coffee table in oak, a beautifully crafted piece that effortlessly combines quality workmanship with everyday practicality. Very well made and of good quality, it offers a timeless design that will complement both traditional and contemporary interiors. Raised on elegant turned legs, the table has a sturdy and well-balanced construction. A generous open shelf beneath the tabletop provides useful additional storage, making it ideal for books, magazines or decorative accessories while keeping the main surface uncluttered. The oak displays a wonderful depth of colour with beautifully defined natural grain throughout, giving the table plenty of warmth and character. Its clean lines, attractive proportions and quality craftsmanship make it a highly desirable example that is as practical as it is stylish. Presented in good condition, this handsome oak coffee table is a versatile and enduring piece of furniture. Whether used as the focal point of a living room or as part of a traditional interior, it would make a charming addition to any home. Product Reference : AF - 6119
