## Description

A enormous oversize antique Ushak runner, from the late 19th century and also very narrow, which is often difficult to find. A rare antique runner and in great condition too, the colours and design are really wonderful. Ideal for a long corridor or even for the stairs, we have installed many antique runners on stairs over the years and they can look fantastic! Ushak rugs, runners and carpets were woven in the Anatolian highlands south of Istanbul where they used extremely soft wool and using the larger Turkish knot made them weave more open designs than Persian carpets. They are increasingly desirable today due to their often softer palette than antique Persian carpets, thus making them easy to place in a drawing room or under a dining table. •Request a home visit and we shall bring this rare Ushak runner for you to view in situ on a convenient day and time for you. •Reserve this Ushak runner online, this is a free and no obligation service we offer, so you do not miss out on a piece you love. •Purchase this enormous runner online via our secure checkout, we send our carpets and rugs worldwide. •Or book in a showroom visit, our barn in Crondall, Surrey is full of wonde...
