Description

This cupboard is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage. The cupboard stands on a square plinth supporting the main section. There is one large door. The door has one panel with a moulding around the edge and a brass round turned knob. Behind the door there are shelves. The shelves are not fixed so you could place more in if required. The top is in good condition with a slight bull nosed edge. The height is 92cm, the width is 89cm and the depth is 44cm.
