Description

Antique 20th century French display cabinet in mahogany, an elegant and beautifully crafted piece, very well made and of good quality. Rich in decorative detail, it perfectly captures the sophistication of French furniture design while offering both practical storage and an attractive display space. The upper section features a beautifully glazed display area with a single glass shelf, ideal for showcasing fine china, glassware or treasured collections. Below is a useful blind cupboard with a panelled door, providing concealed storage for larger household items. Raised on graceful cabriole legs, the cabinet has a refined silhouette, while the decorative brass mounts and detailing enhance its luxurious appearance. Expertly inlaid with a variety of contrasting woods, the cabinet displays exceptional craftsmanship throughout. The mahogany boasts gorgeous natural grain and a rich, warm colour, beautifully complemented by the intricate inlay work and the striking red-lined interior, which provides a stunning backdrop for displayed items. Presented in good condition, this highly desirable French display cabinet is both decorative and functional. A wonderful example of quality...
