Description

Antique English silver pocket watch, Jarrow-on-Tyne. The watch has a three-quarter plate English stem-winding movement which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is silver and there are hallmarks inside both of the case backs for Birmingham 1905 together with a sponsor's mark for William Henry Sparrow listed as an 'importer of gold and silver watches'. The case is in good condition, just gentle unevenness to the back. The glass lens is in good condition. The dial is signed with the name of the original retailer, Grant & Son, Jarrow-on-Tyne. There are hairline cracks to the dial but most are very difficult to see with the naked eye. The watch comes in a new presentation box.
