Description

This cupboard is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The cupboard would look well in an old or modern property amongst similar antique pine furniture for storage in a large room. It is in one piece so if it is to go up stairs your staircase needs to be straight with no turns. It is very heavy and I will require a hand off the van with it into your hallway. The cupboard stands on a square plinth supporting the main section. There are two slightly smaller doors to the bottom with one panel and a moulding around the edge. There are round turned wooden knobs and brass key escutcheons. Above are two larger doors. The doors have one panel, moulding and brass escutcheon. Behind the doors there are shelves. The top has a standard graduated cornice. The height is 214cm, the width is 100cm and the depth is 45cm.
