Description

Antique 20th century chest of drawers in oak, a charming and well-proportioned piece that combines quality construction with timeless period styling. Very well made and of good quality, this attractive chest offers practical storage while retaining a classic design that will complement a wide variety of interiors. The chest is fitted with three generously sized drawers, each retaining its original oak knob handles, providing ample storage for clothing, linens or everyday household items. A raised gallery to the top adds an attractive finishing touch, while the turned legs united by a sturdy supporting stretcher give the piece an elegant yet robust appearance. The oak displays gorgeous natural grain and a rich, warm colour throughout, enhancing the character of the chest and highlighting its pleasing proportions. Its quality construction, traditional styling and desirable size make it a particularly attractive example, suitable for both period and contemporary homes. Presented in good condition, this handsome oak chest of drawers is both decorative and practical. A very desirable piece of 20th century furniture with enduring appeal, it would make a wonderful addition to a...
