Description

This church pew is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The church pew would look well in any old or modern property but particularly well in any room for seating purposes and can comfortably seat 1 person. This would be ideal to the side of a kitchen table or in a hallway. The church pew stands on plank ends supporting the main section with beautifully shaped tops. There are two stretchers between the bottom which is a nice feature. There is a lovely large seat. The back is panelled. The height is 96cm, the seat height is 44cm, the width is 103cm and the depth is 50cm.
